

Every year, we give you our roundup of the hottest products and services that came across our desks from manufacturers and dealers in the school market.

In every issue, every single product or service we cover in the magazine is there because we think it's something that you will find useful, so we're excited about each and every one in all of our issues. Our sole mission is to help you make purchasing decisions, so we're all about products, all the time. **This list reflects the "best of the best."**

Here are some of the products and services that stood out to us this year.

Aiphone

Aiphone's award-winning access control system meets strict quality standards. It is a powerful solution with flexible administrator permissions, which are customized through user-friendly software. With enhanced visitor management capabilities, temporary credentials can be created for expected visitors and substitute staff to easily access your schools without interrupting reception.

Whitaker Brothers prides itself on being an industry leader with over 75 years of experience offering data destruction, print finishing and mailroom equipment. Their high-quality and affordable products include high-security paper shredders, hard drive degaussers, paper cutters, paper folding machines, pressure sealers and more. www.whitakerbrothers.com

Ceiling Outfitters

Ceiling Outfitters offers easy-to-use solutions for hanging signs, banners, spirit decor, and teaching aids in schools. Their products simplify installation, saving time and enhancing user safety. Perfect for classrooms, gyms, and hallways, their products ensure a secure, polished look that keeps students and staff informed, inspired, and motivated throughout the year. www.ceilingoutfitters.com

Discount Playground Supply

Everyone is GaGa over GaGa Ball. They offer 3 sizes of permanent, outdoor GaGa pits, as well as their more portable, GaGa2Go. Additionally, they offer flooring kits for all sizes. GaGa's popularity has continued to rise in the U.S. and is extremely popular at camps, schools, churches and playgrounds everywhere! www.discountplaygroundsupply.com

PW Athletic

Known throughout the sports equipment industry as a leader in material quality, workmanship, and warranty, PW Athletic has been supplying schools throughout the U.S. and Canada since 1919. They remain committed to purchasing materials made in the U.S. and continue to produce the most durable, long-lasting, customizable sports equipment being manufactured exclusively in America. www.PWAthletic.com

Goff Companies

If you need more space for your growing school, give Goff a call! Goff Companies works exclusively with churches and Christian schools across the country providing services including strategic planning for preparing to build, design/build, construction management, and assistance with locating project financing. www.goffcompanies.com

Musson Rubber

Musson Rubber's vinyl stair treads and LVT landing tiles can make any staircase safe at an economical price. Choose from four styles and four colors; matching cove risers are also available. Treads and risers are solid colors; tiles are contrasting granite look colors. www.mussonrubber.com

NEUTRIK

For over 40 years, NEUTRIK, a brand of the Neutrik Group, has led the connector industry by providing ruggedized, high-quality connectors for proAV, lighting, broadcasting, data, and more. Their commitment to quality ensures unparalleled reliability, supported by various certifications and an ISO 9001-2008-based quality system. www.neutrik.com

USA Capitol

Streamline classroom organization with USACapitol's Laptop Box.

Designed for modern learning spaces, this versatile attachment fits neatly under most chair styles, providing convenient storage for laptops and textbooks. Easily retrofitted to new or existing chairs, it keeps essentials within reach while maintaining a clutter-free environment.

www.usacapitol.com

DoorBlockade

Protect your students and staff with DoorBlockade—the portable door-barricading device that secures any internal door in under 5 seconds, no installation required. It reinforces doors from the inside, effectively turning them into their own locks while complying with fire codes. Compatible with both inswinging and outswinging doors, it ensures quick first responder access without special keys.

www.doorblockade.com

SICO

The Flow Top fosters collaboration and well-being through dynamic shapes and flexible configurations that encourage interaction and build relationships. Its inviting design enhances engagement, supports emotional health, and creates a welcoming atmosphere for families and events. By promoting inclusivity and a sense of community, it transforms cafeterias into vibrant spaces that strengthen connections.
